MARIA ANA GUEVARRA DANGAN

Hagonoy, Bulacan, Philippines | +63 977 8162229 | guevarramariaanap@gmail.com | Portfolio | LinkedIn

PROFESSIONAL SUMMARY

PMO Analyst and Computer Engineer with 11+ years of experience across project governance, PMO administration, vendor management, compliance monitoring, operational reporting, process improvement, and business automation. Experienced in coordinating stakeholders, maintaining project and governance documentation, monitoring KPIs, validating vendor billing, supporting audits and compliance reviews, and improving operational processes. Strong technical background in Microsoft Power Platform, Excel VBA, data analysis, and workflow automation, with proven ability to improve reporting efficiency, process visibility, and operational controls.

CORE COMPETENCIES

- PMO Administration
- Project Coordination and Governance
- Vendor and Stakeholder Management
- KPI Monitoring & Reporting
- Billing Validation
- Compliance Monitoring
- Risk & Issue Tracking
- Documentation Management
- Audit Support
- Process Improvement
- Business Process Analysis
- Workflow Automation

TECHNICAL SKILLS

- Automation & Analytics: Power Automate, Power BI, Excel VBA
- Programming: Python, C/C++, HTML

PROFESSIONAL EXPERIENCE

PMO ANALYST | Sept 2025 – Sept 2026
Vertere Global Solutions, Inc. (Deployed in Metrobank)

- Validate 100 to 150 vendor billing invoices monthly ensuring accuracy, completeness, and compliance with internal and client requirements.
- Coordinate and monitor 20+ vendor reaccreditation activities and follow up with stakeholders to ensure required documentation and compliance requirements are completed.
- Develop automated trackers and reporting tools to streamline monitoring activities, improve process visibility, and reduce manual effort.
- Analyze workflows and collaborate with stakeholders to identify process gaps and implement improvements.

PMO ASSOCIATE / APPLICATION SYSTEMS ENGINEER/CONSULTANT | June 2022 – April 2025
Weserv Systems International, Inc. (Fujitsu Philippines, Inc.)

- Developed standard procedures and documentation to improve service delivery consistency and compliance.
- Analyzed project KPIs and supported continuous improvement initiatives across the service line.
- Conducted audits and process reviews to ensure adherence to organizational standards.
- Automated manual processes and reporting activities, improving efficiency and reducing human error.
- Collaborated with project managers and stakeholders to identify process gaps and implement improvements.

COLLEGE INSTRUCTOR | July 2015 – June 2022
College of Engineering, Bulacan State University

- Delivered professional programming courses to undergraduate computer engineering students.
- Produced critical documentation that supported the university's academic accreditation processes.
- Contributed to academic and community advancement through research activities and extension programs.

ASSOCIATE SOFTWARE ENGINEER | July 2014 – July 2015
Accenture, Inc.

- Optimized system performance by monitoring and tracking errors on client dashboards.
- Identified and debugged functional issues to enhance dashboard user experience.

EDUCATION

- Master of Science in Computer Engineering (27/30 units), Mapúa University
- Bachelor of Science in Computer Engineering, Bulacan State University

CERTIFICATIONS

- Microsoft Innovative Educator Master Trainer (2021)
